**BREAKING: GEORGIA'S SECRETARY OF STATE ANNOUNCES A  
FULL RECOUNT OF THE PRESIDENTIAL RACE**

%%FirstName%%,

**Did you hear the news? Thanks to your support and your contributions -  
Georgia will be doing a FULL recount. This fight is far from over!**

President Trump and our legal team are fighting for the good of the Nation to uphold the rule of law, and Georgia's law is very clear: to legally count, mail ballots must be received by 7:00 PM on Election Day.

There have been various reports of poll observers witnessing what they believed to be illegal activity. This is absolutely unacceptable. **To be clear, we will NOT allow Democrats [redacted] to steal this Election from President Trump.**

While this is a HUGE VICTORY for the American People, we can't slow down now. We need to make sure we have the necessary resources to execute a successful recount. Can we count on YOU to step up?

President Trump needs you right now, %%FirstName%%. Georgia has had reported cases of **dead people voting, forged signatures, missing signatures,**

**mass unsolicited ballots filled out by others**, and illegally cast ballots being counted.

What happens now could impact the Election significantly. Don't let your Country down.

Is anyone shocked right now?

Our father has been saying for MONTHS that mail-in ballots would cause CHAOS. The Election interference we've uncovered so far is just the beginning and is an absolute disgrace!

We need to fully investigate all reports of fraud so that Americans can once again have faith in the democratic process. This is a MASSIVE undertaking, and we can't do it without you, %%Firstname%%.

Our father is relying on his STRONGEST and most RELIABLE supporters during this critical time. Can we tell him he can count on YOU to make sure we have enough resources to COMBAT the lies coming from the Left?

There is something seriously wrong with some of the numbers across various states...

Does anyone believe that Biden, a candidate who had a tough time filling a room, got millions of more votes than Obama did in 2012? Meanwhile, my father set vote records never seen before in the Republican Party, but is still “down?”

It's clear that Patriotic Americans want **FOUR MORE YEARS** of President Trump, but that won't stop the Radical Left from trying to steal the Election from the People.
