You all are cleared to enter complex at 17th Street and State Place. Secret Service will show everyone where to park.  
  
There will be staff at the security checkpoint to escort everyone to the Medical Unit for a quick coronavirus test. From there, they will bring you into the West Wing. I am with POTUS and the Chief, but call me if you have any questions or issues.

Delivered

Thank you ma'am

Not one tweet from either the @JoeBiden or @POTUS accounts about the FBI agents shot and killed in the line of duty in Florida today.
