'unlawful lockdowns' to begin on 6 January 2021 in Washington, D.C. An online thread discussed specific calls for violence to include stating 'Be ready to fight. Congress needs to hear glass breaking, doors being kicked in, and blood from their BLM and Antifa slave soldiers being spilled. Get violent...stop calling this a march, or rally, or a protest. Go there ready for war. We get our President or we die. NOTHING else will achieve this goal.'

(U//LES) One posted commented, 'if Antifa or BLM get violent, leave them dead in the street'.

(U//LES) Another individual commented that they needed people on standby to provide supplies, including water and medical, to the front lines. The individual also discussed the need to evacuate noncombatants and wounded to medical care (NFI).

(U//LES) Additionally, perimeter maps and caravan pictures were posted. Rally points were identified in Figure 1. A perimeter was designated around various capitol buildings identified in Figure 2. (U//LES) FBI Comment. BLM likely refers to Black Lives Matter. Pantifa likely refers to Antifa.

(U//FOUO) FBI Comment. Individuals/Organizations named in this SIR have been identified as participating in activities that are protected by the First Amendment to the U.S. Constitution. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and/or specific historical observations, it is possible the protected activity could invite a violent reaction towards the subject individual or others in retaliation or with the goal of stopping the protected activity from occurring in the first instance. In the event no violent reaction occurs, FBI policy and federal law dictates that no further record be made of the protected activity.
