- Concerned about the election
- Thinks DOS ~~should~~ must do its job on election result
- On Foreign Affairs Committee
 - can't understand why DOJ said voting about H. Biden investigation ^{no} _{response}
- Likes Judge Charles L. - thinks he would do smthg about this

e.g. - Aiken Brooks - Hq RIT Scandal

- IG find - we asked FBI to interview her - told her to say anything.
- She felt like she was the one under investigation.
- FBI don't do the right thing in all instances

- Forensic Accountant who is state dep - looking at open

source info - all countries but 3 (still working on that)

= 265K was notes for voters - clear funds

- Told him we would, of course, be willing to look at that but, thus far, we haven't seen funds or state to change outcome in that

✓ asked to send email addresses + he will send info on this
