				<p>Hi everyone, can you say your names so y,Äall can save each other.</p> <p>Mallory will be with me everyone. She will be able to tell security where I am at all times. She and Daniel Jurado are the only two authorized to speak for me (myself). Others can speak for my organization.</p> <p>So, we,Äre all looped in, I have two golf carts with us. Because my necessary entourage is large, I hired two fellas from Colorado Security who will be with me at all times.</p> <p>We have Patrick (my normal DC body man) and Anthony (cop friend) who will be with us watching out for Mal and secondaries.</p> <p>And we have two OathKeepers (appointed by Gator) with me and my crew. Because we have 20+ OathKeepers for the broader party, I wanted two stationed with me.</p> <p>Patrick, Anthony and the two OathKeepers are staying in the same hotel as me.</p> <p>I won,Ät do any texting I expect, outside of this.</p> <p>God bless.</p>
