Just emailed bank wire info to you. Spoke to the ad writer, he should be finished with ad package proposals by later this afternoon. Soon as they're completed I'll email those to you as well.

Got it, thank you!!

Cindy just said that Park Service informed her that Kremer's pulled permit. So we should be good. In a measure of good faith, Alex is making apology on his show to them. I'm hoping EVERYONE is good now and can work together

Good morning Caroline,  
Do we have any updated fliers or website link that I can post for final social media push for our event?

Also, Alex is inquiring if anything has changed in regards to him speaking on the 6th?

Thanks,

Tim

Caroline, just seeing if there's any last-minute updates for tomorrow? Are there going to be any other speakers other than POTUS? What time do you recommend we get there, meaning VIPs?

Caroline,  
Joe Flynn contacted me. The General and his group need 6 VIP passes. He also wants to join Roger, Alex etc in leading the March to the Capitol. How can we get them the VIP passes? He called me about an hour ago.
