So, I'm done. I can't be a part of embarrassing POTUS any further.

I let her know that I was going to reach out to WH and her tone changed. So, I'll continue to build a proper event.

Praying for you, praying for the president and praying that I get through the day. Hopefully this latest nightmare will yield something positive.

If you see a dead spot. Vern Jones wants to announce he is changing to Republican. If that works for you and schedule. I am fine with it. No pressure from me. Trust your judgement totally
