

~~Save America March~~

~~I am honored to stand before tens of thousands of devoted American Patriots~~ Well, thank you very much. This is incredible.

Media will not show the magnitude of this crowd. Even I, when I turned on today, I looked, and I saw thousands of people here. But you don't see hundreds of thousands of people behind you because they don't want to show that.

We have hundreds of thousands of people here and I just want them to be recognized by the fake news media. Turn your cameras please and show what's really happening out here because these people are not going to take it any longer. They're not going to take it any longer. Go ahead. Turn your cameras, please. Would you show? They came from all over the world, actually, but they came from all over our country.

I just really want to see what they do. I just want to see how they covered. I've never seen anything like it. But it would be really great if we could be covered fairly by the media. The media is the biggest problem we have as far as I'm concerned, single biggest problem. The fake news and the Big tech.

Big tech is now coming into their own. We beat them four years ago. We surprised them. We took them by surprise and this year they rigged an election. They rigged it like they've never rigged an election before. And by the way, last night they didn't do a bad job either if you notice.

I'm honest. And I just, again, I want to thank you. It's just a great honor to have this kind of crowd and to be before you and hundreds of thousands of American patriots who are committed to the honesty of our elections and the integrity of our glorious ~~Republic.~~ republic.

All of us here today do not want to see our election victory stolen by emboldened ~~Radical-Left~~ radical-left Democrats, which is what they're doing. And stolen by the fake news media. That's what they've done and what they're doing. We will never give up, we will never concede. It doesn't happen. You don't concede when there's theft involved.

Our ~~Country~~ country has had enough, ~~we.~~ We will not take it anymore! ~~Together, we will STOP THE STEAL.~~ and that's what this is all about. And touse a favorite term that all of you people really came up with: We will stop the steal. Today, I will lay out just some of the evidence proving that we won this election, and we won it by a landslide. This was not a close election.

You know, I say, sometimes jokingly, but there's no joke about it: I've been in two elections. I won them both and the second one, I won much bigger than the first. OK. Almost 75 million people voted for our campaign, the most of any incumbent president by far in the history of our country, 12 million more votes than four years ago, a record. ~~No President has ever lost who got more votes~~ people than he did previously. ~~We will not~~ four years ago.

And I was told by the real pollsters — we do have real pollsters — they know that we were going to do well and we were going to win. What I was told, if I went from 63 million, which we

had four years ago, to 66 million, there was no chance of losing. Well, we didn't go to 66, we went to 75 million, and they say we lost. We didn't lose.

And by the way, does anybody believe that Joe had 80 million votes? Does anybody believe that? He had 80 million computer votes. It's a disgrace. There's never been anything like that. You could take third-world countries. Just take a look. Take third-world countries. Their elections are more honest than what we've been going through in this country. It's a disgrace. It's a disgrace.

Even when you look at last night. They're all running around like chickens with their heads cut off with boxes. Nobody knows what the hell is going on. There's never been anything like this.

We will not let them silence your voices. We're not going to let it happen, I'm not going to let it happen.

Thank you.

And I'd love to have if those tens of thousands of people would be allowed. The military, the secret service. And we want to thank you and the police law enforcement. Great. You're doing a great job. But I'd love it if they could be allowed to come up here with us. Is that possible? Can you just let him come up, please?

And Rudy, you did a great job. He's got guts. You know what? He's got guts, unlike a lot of people in the Republican Party. He's got guts. He fights, he fights.

And I'll tell you. Thank you very much, John. Fantastic job. I watched. That's a tough act to follow, those two. John is one of the most brilliant lawyers in the country, and he looked at this and he said, "What an absolute disgrace that this can be happening to our Constitution."

And he looked at Mike Pence, and I hope Mike is going to do the right thing. I hope so. I hope so."

Because if Mike Pence does the right thing, we win the election. All he has to do, all this is, this is from the number one, or certainly one of the top, Constitutional lawyers in our country. He has the absolute right to do it. We're supposed to protect our country, support our country, support our Constitution, and protect our constitution.

States want to revoke. The states got defrauded. They were given false information. They voted on it. Now they want to recertify. They want it back. All Vice President Pence has to do is send it back to the states to recertify and we become president and you are the happiest people.

And I actually, I just spoke to Mike. I said: "Mike, that doesn't take courage. What takes courage is to do nothing. That takes courage." And then we're stuck with a president who lost the election by a lot and we have to live with that for four more years. We're just not going to let that happen.

Many of you have ~~travelled~~traveled from all across the nation to be here. ~~Thank you for your incredible support of our,~~ and I want to thank you for the extraordinary love. That's what it is. ~~There's never been a~~ movement, ~~and your like this, ever, ever.~~ For the extraordinary love for this amazing country, and ~~our~~this amazing movement. ~~I will never forget it, we will never forget it,~~ thank you.

By the way, this goes all the way back past the Washington Monument. You believe this? Look at this. That is. Unfortunately gave, they gave the press the prime seats. I can't stand that.

No. But you look at that behind. I wish they'd flip those cameras and look behind you. That is the most amazing sight. When they make a mistake, you get to see it on television. Amazing. Amazing. All the way back.

And don't worry, we will not take the name off the Washington Monument. We will not cancel culture.

You know they wanted to get rid of the Jefferson Memorial. Either take it down or just put somebody else in there. I don't think that's going to happen. It damn well better not. Although, with this administration, if this happens, it could happen. You'll see some really bad things happen.

They'll knock out Lincoln too, by the way. They've been taking his statue down. But then we signed a little law. You hurt our monuments, you hurt our heroes, you go to jail for 10 years, and everything stopped. You notice that? It stopped. It all stopped.

And they could use Rudy back in New York City. Rudy. They could use you. Your city's going to hell. They want Rudy Giuliani back in New York. We'll get a little younger version of Rudy. Is that OK, Rudy?

We're gathered together in the heart of our ~~nation's~~nation's capital for a ~~one~~ very, very basic and simple reason: ~~to~~SAVETo save our ~~Democracy~~democracy.

You know most candidates on election evening and, of course, this thing goes on so long. They still don't have any idea what the votes are. We still have congressional seats under review. They have no idea. They've totally lost control. They've used the pandemic as a way of defrauding the people in a proper election.

But you know, you know, when you see this and when you see what's happening. Number one, they all say, "Sir, we'll never let it happen again." I said, "That's good. But what about eight weeks ago?" You know they try and get you to go.

They said, "Sir, in four years, you're guaranteed." I said: "I'm not interested right now. Do me a favor, go back eight weeks. I want to go back eight weeks. Let's go back eight weeks."

We want to go back and we want to get this right because we're going to have somebody in there that should not be in there and our country will be destroyed and we're not going to stand for that.

For years, Democrats have gotten away with election fraud and Weakweak Republicans have. And that's what they are. There's so many weak Republicans. And we have great ones. Jim Jordan and some of these guys, they're out there fighting. The House guys are fighting. But it's, it's incredible.

Many of the Republicans, I helped them get in, I helped them get elected. I helped Mitch get elected. I helped. I could name 24 of them, let's say, I won't bore you with it. And then all of a sudden you have something like this. It's like, "Oh gee, maybe I'll talk to the president sometime later." No, it's amazing.

They're weak Republicans, they're pathetic Republicans and that's what happens.

If this happened to the Democrats, there'd be hell all over the country going on. There'd be hell all over the country. But just remember this: You're stronger, you're smarter, you've got more going than anybody. And they try and demean everybody having to do with us. And you're the real people, you're the people that built this nation. You're not the people that tore down our nation.

The weak Republicans, and that's it. I really believe it. I think I'm going to use the term, the weak Republicans. You've got a lot of them. And you got a lot of great ones. But you got a lot of weak ones. They've turned a blind eye—, even as Democrats enacted policies that shippedchipped away our jobs, weakened our military, threw open our borders, and put America last.

Did you see the other day where Joe Biden said, I want to get rid of the America LastFirst policy? What's that all about? Get rid of. How do you say I want to get rid of America First? Even if you're going to do it, don't talk about it, right? Unbelievable what we have to go through. What we have to go through.

And you have to get your people to fight. And if they don't fight, we have to primary the hell out of the ones that don't fight. You primary them. We're going to. We're going to let you know who they are. I can already tell you, frankly.

But this year, using the pretext of the China Virusvirus and the scam of mail_in ballots, Democrats attempted the most brazen and outrageous election theft and there's never been anything like this. So pure theft in American History. In fact, history. Everybody knows it.

That election, our election was over at 10 o'clock in the evening. We're leading Pennsylvania, Michigan, Georgia, by hundreds of thousands of votes.

And then late in the evening, or early in the morning, boom, these explosions of bull****.

And all of a sudden. All of a sudden it started to happen.

Don't forget when Romney got beat. Romney, hey. Did you see his? I wonder if he enjoyed his flight in last night. But when Romney got beaten, you know, he stands up like you're more typical, "Well, I'd like to congratulate the victor." The victor? Who is the victor, Mitt? "I'd like

to congratulate.” They don’t go and look at the facts. No, I don’t know. He got, he got slaughtered. Probably, maybe it was OK, maybe it was. But that’s what happened.

But we look at the facts and our election was so corrupt, ~~we could even say world that in the history~~— of this country we’ve never seen anything like it. You can go all the way back.

You know, America is blessed with elections. All over the world they talk about our elections. You know what the world says about us now? They said, we don’t have free and fair elections.

And you know what else? We don’t have a free and fair press. Our media is not free, it’s not fair. It suppresses thought, it suppresses speech and it’s become the enemy of the people. It’s become the enemy of the people. It’s the biggest problem we have in this country.

No third-world ~~country~~ countries would even attempt to do what ~~they have done, and~~ we caught them doing. And you’ll hear about that in just a few minutes.

Republicans are, Republicans are constantly fighting like a boxer with his hands tied behind his back. It’s like a boxer. And we want to be so nice. We want to be so respectful of everybody, including bad people. And we’re going to have to fight much harder.

And Mike Pence is going to have to come through for us, and if he doesn’t, that will be a, a sad day for our country because you’re sworn to uphold our Constitution.

Now, it is up to Congress to confront this egregious assault on our ~~Democraey~~-democracy. And after this, we’re going to walk down, and I’ll be there with you, we’re going to walk down, we’re going to walk down.

Anyone you want, but I think right here, we’re going to walk down to the Capitol, and we’re going to cheer on our brave senators and congressmen and women, and we’re probably not going to be cheering so much for some of them.

Because you’ll never take back our country with weakness. You have to show strength and you have to be strong. We have come to demand that Congress do the right thing, and only count the electors who have been lawfully slated—, lawfully slated.

I know that everyone here will soon be marching over to the Capitol building to peacefully and patriotically make your voices heard. ~~Today, we will see whether Republicans stand strong for the integrity of our elections. And we will see whether Mike Pence enters history as a truly great and courageous leader. All he has to do is refer the illegally submitted electoral votes back to the states that were given false and fraudulent information where they want to recertify.~~

Today we will see whether Republicans stand strong for integrity of our elections. But whether or not they stand strong for our country, our country. Our country has been under siege for a long time. Far longer than this four-year period. We’ve set it on a much greater course. So much, and we, I thought, you know, four more years. I thought it would be easy.

We’ve created the greatest economy in history. We rebuilt our military. We get you the biggest tax cuts in history. Right? We got you the biggest regulation cuts. There’s no president, whether

it's four years, eight years or in one case more, got anywhere near the regulation cuts.

Used to take 20 years to get a highway approved, now we're down to two. I want to get it down to one, but we're down to two. And it may get rejected for environmental or safety reasons, but we got it down to safety.

We created Space Force, We, we, we. Look at what we did. Our military has been totally rebuilt. So we create Space Force which, by and of itself, is a major achievement for an administration. And with us it's one of so many different things.

Right to Try. Everybody know about Right to Try. We did things that nobody ever thought possible. We took care of our vets, our vets. The VA now has the highest rating, 91%. The highest rating that it's had from the beginning, 91% approval rating. Always, you watch the VA, it was on television every night, people living in a horrible, horrible manner. We got that done. We got accountability done. We got it so that now in the VA, you don't have to wait for four weeks, six weeks, eight weeks, four months to see a doctor. If you can't get a doctor, you go outside, you get the doctor. You have it taken care of and we pay the doctor.

And we've not only made life wonderful for so many people, we've saved tremendous amounts of money, far secondarily, but we've saved a lot of money. And now we have the right to fire bad people in the VA. We had 9,000 people that treated our veterans horribly. In primetime, they would not have treated our veterans badly. But they treated our veterans horribly.

And we have what's called the account, VA Accountability Act. And the accountability says if we see somebody in there that doesn't treat our vets well or they steal, they rob, they do things badly, we say: "Joe you're fired. Get out of here." Before you couldn't do that. You couldn't do that before.

So we've taken care of things, we've done things like nobody's ever thought possible. And that's part of the reason that many people don't like us, because we've done too much.

But we've done it quickly and we were going to sit home and watch a big victory and everybody had us down for a victory. It was going to be great and now we're out here fighting. I said to somebody, I was going to take a few days and relax after our big electoral victory. 10 o'clock it was over. But I was going to take a few days.

And I can say this. Since our election, I believe, which was such a catastrophe, when I watch. And even these guys knew what happened. They know what happened. They're saying: "Wow, Pennsylvania's insurmountable. Wow, Wisconsin." Look at the big leads we had, right. Even though the press said we would lose Wisconsin by 17 points. Even though the press said, Ohio's going to be close, we set a record; Florida's going to be close, we set a record; Texas is going to be close, Texas is going to be close, we set a record.

And we set a record with Hispanic, with the Black community, we set a record with everybody.

Today we see a very important event though. Because right over there, right there, we see the event going to take place. And I'm going to be watching. Because history is going to be made. We're going to see whether or not we have great and courageous leaders, or whether or not we

have leaders that should be ashamed of themselves throughout history, throughout eternity they'll be ashamed.

And you know what? If they do the wrong thing, we should never, ever forget that they did. Never forget. We should never ever forget.

With only ~~3~~three of the ~~7~~seven states in question, we win ~~and become President and have the power of the presidency of the United States.~~ And by the way, it's much more important today than it was 24 hours ago, because I don't. I spoke to David Perdue, what a great person, and Kelly Loeffler, two great people, but it was a setup.

And you know, I said, "We have no backline anymore." The only backline, the only line of demarcation, the only line that we have is the veto of the president of the United States. So this is now, what we're doing, a far more important election than it was two days ago.

I want to thank the more than 140 members of the House ~~of Representatives who have announced that they will object to the certification of the election results.~~ Those are warriors. They're over there working like you've never seen before. Studying, talking, actually going all the way back, studying the roots of the Constitution, because they know we have the right to send a bad vote that was illegally gotten.

They gave these people bad things to vote for and they voted because what did they know? And then when they found out a few weeks later, again, it took them four years to devise this screen.

And the only unhappy person in the United States, single most unhappy, is Hillary Clinton. Because she said: "Why didn't you do this for me four years ago? Why didn't you do this for me four years ago? Change the votes, 10,000 in Michigan. You could have changed the whole thing." But she's not too happy. You know, you don't see her anymore. What happened? Where's Hillary? Where is she?

But I want to thank all of those congressmen and women. I also want to thank our 13, most courageous members of the U.S. Senate: ~~Senators~~, Senator Ted Cruz, Senator Ron Johnson, Senator Josh Hawley, Kelly Loeffler.

And Kelly Loeffler, I'll tell you, she has been, she's been so great. She worked so hard. So let's give her and David a little special hand because it was rigged against them. Let's give her and David.

Kelly Loeffler, David Purdue. They fought a good race. They never had a shot. That equipment should never have been allowed to be used, and I was telling these people don't let him use this stuff.

Marsha Blackburn, terrific person. Mike Braun, Indiana. Steve Daines, great guy. Bill Hagerty, John Kennedy, James Lankford, Cynthia Lummis, Tommy Tuberville, the coach, and Roger Marshall. We want to thank them. Senators that stepped up, we want to thank them.

I actually think though, it takes, again, more courage not to step up, and I think a lot of those people are going to find that out and you better start looking at your leadership, because your leadership has led you down the tubes.

You know, we don't want to give \$2,000 to people. We want to give them \$600. Oh, great. How does that play politically? Pretty good? And this has nothing to do with politics, but how does it play politically?

China destroyed these people. We didn't destroy. China destroy them, totally destroyed them. We want to give them \$600 and they just wouldn't change.

I said give them \$2,000, we'll pay it back. We'll pay it back fast. You already owe 26 trillion, give them a couple of bucks. Let them live. Give them a couple of bucks. And some of the people here disagree with me on that, but I just say, "Look, you've got to let people live."

And how does that play though? OK. Number one, it's the right thing to do. But how does that play politically? I think it's the primary reason, one of the primary reasons, the other was just pure cheating. That was the primary, super primary reason. But you can't do that, you got to use your head.

As you know, the media has constantly asserted the outrageous lie that there ~~is~~ "was no evidence" of widespread fraud. Have you ever seen these people? While there is no evidence of fraud. Oh, really? Well, I'm going to read you pages. I hope you don't get bored listening to it. Promise?

Don't get bored listening to it, all those hundreds of thousands of people back there. Move them up, please, yeah.

All they, all these people, don't get bored, don't get angry at me because you're going to get bored because it's so much.

The American ~~People do not believe the Corrupt Fake News anymore.~~ people do not believe the corrupt, fake news anymore. They have ruined their reputation. But you know, it used to be that they'd argue with me. I'd fight. So I'd fight, they'd fight, I'd fight, they'd fight. Pop pop. You'd believe me, you'd believe them. Somebody comes out. You know, they had their point of view, I had my point of view, but you'd have an argument.

Now what they do is they go silent. It's called suppression and that's what happens in a communist country. That's what they do, they suppress. You don't fight with them anymore. Unless it's a bad story. They have a little bad story about me, they make it 10 times worse and it's a major headline.

But Hunter Biden, they don't talk about him. What happened to Hunter? Where's Hunter? Where's Hunter? They don't talk about him. They'll watch, all the sets will go off. Well, they can't do that because they get good ratings. Their ratings are too good. Now, where's Hunter? You know.

And how come Joe is allowed to give a billion dollars of money to get rid of the prosecutor in Ukraine? How does that happen? I'd ask you that question. How does that happen? Can you imagine if I said that? If I said that it would be a whole different ballgame.

And how come Hunter gets three and a half million dollars from the mayor of Moscow's wife, and gets hundreds of thousands of dollars to sit on an energy board, even though he admits he has no knowledge of energy? And millions of dollars up front.

And how come they go into China and they leave with billions of dollars to manage. "Have you managed money before?" "No, I haven't." "Oh, that's good. Here's about 3 billion." No, they don't talk about that.

No, we have a corrupt media. They've gone silent. They've gone dead. I now realize how good it was if you go back 10 years, I realized how good, even though I didn't necessarily love them, I realized how good. It was like a cleansing motion, right?

But we don't have that anymore. We don't have a fair media anymore. It's suppression. And you have to be very careful with that and they've lost all credibility in this country.

We will not be intimidated into accepting ~~their~~the hoaxes and the lies that we've been forced to believe.

Over the past several weeks, ~~we have~~we've amassed overwhelming evidence-- about a fake election. This is the presidential election. Last night was a little bit better because of the fact that we had a lot of eyes watching one specific state, but they cheated like hell anyway.

You have one of the dumbest governors in the United States. And you know when I endorsed him, and I didn't know this guy, at the request of David Perdue, he said, "Friend of mine's running for governor." "What's his name?" And you know the rest. He was in fourth place, fifth place. I don't know, he was, he was doing poorly. I endorse him, he went like a rocket ship and he won.

And then I had to beat Stacey Abrams with this guy, Brian Kemp. I had to beat Stacey Abrams. And I had to beat Oprah, used to be a friend of mine. You know, I was on her last show, her last week, she picked the five outstanding people. I don't think she thinks that any more. Once I ran for president, I didn't notice there were too many calls coming in from Oprah. Believe it or not, she used to like me. But I was one of the five outstanding people.

And I had a campaign against Michelle Obama and Barack Hussein Obama, against Stacey.

And I had Brian Kemp, who weighs 130 pounds. He said he played offensive line in football. I'm trying to figure that out. I'm still trying to figure that out. He said that the other night, "I was an offensive lineman." I'm saying: "Really? That must have been a very small team." But I look at that and I look at what's happened and he turned out to be a disaster. This stuff happens.

You know, look, I'm not happy with the Supreme Court. They love to rule against me. I picked three people. I fought like hell for them. One in particular, I fought. They all said, "Sir, cut him loose." He's killing the senators. You know, very loyal senators, they're very loyal people, "Sir, cut him loose, he's killing us, sir, cut him loose." I must have gotten half of the senators.

I said: "No, I can't do that, it's unfair to him and it's unfair to the family. He didn't do anything wrong." They made up stories, they're all made-up stories. He didn't do anything wrong. "Cut him loose, sir." I said, "No, I won't do that. We got him through." And you know what, they couldn't give a damn. They couldn't give a damn. Let him rule the right way.

But it almost seems that they're all going out of their way to hurt all of us and to hurt our country. To hurt our country.

You know, I read a story in one of the newspapers recently how I control the three Supreme Court justices. I control them. They're puppets.

I read it about Bill Barr, that he's my personal attorney. That he'll do anything for me. And I said, "You know, it really is genius." Because what they do is that, and it makes it really impossible for them to ever give you a victory, because all of a sudden Bill Barr changed. If you hadn't noticed. I like Bill Barr, but he changed, because he didn't want to be considered my personal attorney.

And the Supreme Court, they rule against me so much. You know why? Because the story is — I haven't spoken to any of them, any of them, since virtually they got in — but the story is that they're my puppets. Right? That they're puppets.

And now the only way they can get out of that because they hate that it's not good in the social circuit. And the only way they get out is to rule against Trump. So let's rule against Trump. And they do that. So I want to congratulate them.

But it shows you the media's genius. In fact, probably if I was the media, I'd do it the same way. I hate to say it. But we got to get them straightened out.

Today, for the sake of our democracy, for the sake of our Constitution, and for the sake of our children, we lay out the case for the entire world to hear: You want to hear it?

In every single swing state, ~~state and~~ local officials—, state officials, almost all Democrats—, made illegal and unconstitutional changes to election procedures without the mandated approvals by the state legislatures—~~and these changes paved the way for fraud on a scale never seen before.~~

That these changes paved a way for fraud on a scale never seen before. I think we go a long way outside of our country when I say that.

So, just in a nutshell, you can't make a change or voting for a federal election unless the state legislature approves it. No judge can do it. Nobody can do it. Only a legislature.

So as an example, in Pennsylvania, or whatever, you have a Republican legislature, you have a Democrat mayor, and you have a lot of Democrats all over the place. They go to the legislature. The legislature laughs at them, says we're not going to do that. They say, thank you very much and they go and make the changes themselves, they do it anyway. And that's totally illegal. That's totally illegal. You can't do that.

In Pennsylvania, the Democrat ~~Secretary~~secretary of ~~State~~state and the Democrat state Supreme Court ~~Justices~~justices illegally abolished the signature verification requirements just 11 days prior to the election.

So think of what they did. No longer is there signature verification. Oh, that's OK. We want voter ID by the way. But no longer is there a signature verification. Eleven days before the election they say we don't want it. You know why they don't want to? Because they want to cheat. That's the only reason.

Who would even think of that? We don't want to verify a signature?

There were over ~~200~~205,000 more ballots counted in Pennsylvania. Think of this, you had 205,000 more ballots than ~~there were~~actual you had voters. ~~This~~That means you had two. Where did they come from? You know where they came from? Somebody's imagination, whatever they needed.

So in Pennsylvania, you had 205,000 more votes than you had voters. And the number is actually much greater than that now. That was as of a week ago. And this is a mathematical impossibility ~~remains completely unexplained~~unless you want to say it's a total fraud.

So Pennsylvania was defrauded. Over 8,000 ballots in Pennsylvania were cast by people whose names and dates of birth match individuals who died in 2020 and prior to the election. Think of that. Dead people, lots of dead people, thousands. And some dead people actually requested an application. That bothers me even more.

Not only are they voting, they want an application to vote. One of them was 29 years ago, died. It's incredible. Over 14,000 ballots were cast by out-of-state voters-, so these are voters that don't live in this state.

And by the way, these numbers are what they call outcome-determinative, meaning these numbers far surpass. I lost by a very little bit. These numbers are massive, massive.

More than 10,000 votes in Pennsylvania were illegally counted, even though they were received ~~AFTER election day~~after Election Day. In other words, they were received after Election Day. Let's count them anyway.

And what they did in many cases is, they did fraud. They took the date and they moved it back so that it no longer is after Election Day. And more than 60,000 ballots in Pennsylvania were reported received back ~~BEFORE~~. They got back before they were ever supposedly mailed out-. In other words, you got the ballot back before you mailed it, which is also logically and logistically impossible-, right?

25,000

Think of that one. You got the ballot back. Let's send the ballots. Oh, they've already been sent. But we got the ballot back before they were sent. I don't think that's too good, right?

Twenty-five thousand ballots in Pennsylvania were requested by nursing home residents, all in a single giant batch—, not legal, indicating an enormous, illegal ballot harvesting operation. You're not allowed to do it, it's against the law.

The day ~~BEFORE~~ before the election, the state of Pennsylvania reported the number of absentee ballots that had been sent out. Yet this number was suddenly and drastically increased by 400,000 ~~ballots~~ people. It was increased, nobody knows where it came from, by 400,000 ballots, one day ~~AFTER~~ after the election—~~it remains unexplained how an additional 400,000 ballots appeared from nowhere~~ AFTER Election Day.

It remains totally unexplained. They said, "Well, ah, we can't figure that." Now, that's many, many times what it would take to overthrow the state. Just that one element. Four hundred thousand ballots appeared from nowhere right after the election.

By the way, Pennsylvania has now seen all of this. They didn't know because it was so quick. They had a vote. They voted. But now they see all this stuff, it's all come to light. Doesn't happen that fast. And they want to recertify their votes. They want to recertify. But the only way that can happen is if Mike Pence agrees to send it back. Mike Pence has to agree to send it back.

And many people in Congress want it sent back.

And think of what you're doing. Let's say you don't do it. Somebody says, "Well, we have to obey the Constitution." And you are, because you're protecting our country and you're protecting the Constitution. So you are.

But think of what happens. Let's say they're stiff and they're stupid people, and they say, well, we really have no choice. Even though Pennsylvania and other states want to redo their votes. They want to see the numbers. They already have the numbers. Go very quickly. And they want to redo their legislature because many of these votes were taken, as I said, because it wasn't approved by their legislature. You know, that, in itself, is legal. And then you have the scam, and that's all of the things that we're talking about.

But think of this. If you don't do that, that means you will have a president of the United States for four years, with his wonderful son. You will have a president who lost all of these states. Or you will have a president, to put it another way, who was voted on by a bunch of stupid people who lost all of these states.

You will have an illegitimate president. That's what you'll have. And we can't let that happen.

These are the facts that you ~~won't~~ won't hear from the fake news media—~~it is~~. It's all part of the suppression effort—~~by~~. They don't want to talk about it. They don't want to talk about it. In fact, when I started talking about that, I guarantee you, a lot of the television sets and a lot of those cameras went off. And that's a lot of cameras back there. But a lot of them went off.

But these are the things you don't hear about. You don't hear what you just heard. I'm going to go over a few more states. But you don't hear it by the people who want to deceive you, and demoralize you and control you—just. Big tech, media.

Just like the suppression polls that said ~~we were~~we're going to lose Wisconsin by 17 points, and. Well, we won Wisconsin. They don't have it that way because they lost just by a little sliver. But they had medown the day before, Washington Post/ABC poll, down 17 points.

I called up a real pollster. I said, "What is that?" "Sir, that's called a suppression poll. I think you're going to win Wisconsin, sir."

I said, "But why don't they make it four or five points?" Because then people vote. But when you're down 17, they say, "Hey, I'm not going to waste my time. I love the president, but there's no way."

Despite that, despite that, we won Wisconsin. It's going to see. I mean, you'll see. But that's called suppression because a lot of people when they see that. It's very interesting. This pollster said, "Sir, if you're down three, four, or five people vote. When you go down 17, they say, 'Let's save. Let's go and have dinner and let's watch the presidential defeat tonight on television, darling.'"

And just like the ~~Radical~~radical left tries to blacklist you on social media, and. Every time I put out a tweet, that's, even if it's totally correct, totally correct, I get a flag. I get a flag.

And they also don't let you get out. You know, on Twitter, it's very hard to come onto my account. It's very hard to get out a message. They don't let the message get out nearly like they should. But I've had many people say, "I can't get on your Twitter." I don't care about Twitter. Twitter's bad news. They're all bad news.

But you know what, if you want to, if you want to get out a message and if you want to go through Big tech, social media, they are really, if you're a conservative, if you're a Republican, if you have a big voice, I guess they call it shadow banned, right? Shadow banned. They shadow ban you, and it should be illegal.

I've been telling these Republicans, get rid of Section 230. And for some reason, Mitch and the group, they don't want to put it in there and they don't realize that that's going to be the end of the Republican Party as we know it, but it's never going to be the end of us. Never. Let them get out. Let, let the weak ones get out. This is a time for strength.

They also want to indoctrinate your children in school. ~~It is~~ by teaching them things that aren't so. They want to indoctrinate your children. It's all part of ~~the~~ comprehensive assault on our democracy—, and the American ~~People~~people are finally standing up and saying ~~NO~~no. This crowd is, again, a testament to it.

I did no advertising, I did nothing. You do have some groups that are big supporters. I want to thank that, Amy, and everybody. We have some incredible supporters, incredible. But we didn't

do anything. This just happened. Exhibit 59 - Page 14 a massive crowd come down to Washington. I said, "What are they there for?" "Sir, they're there for you."

We have nothing to do with it. These groups are for, they're forming all over the United States. And we got to remember, in a year from now, you're going to start working on Congress and we got to get rid of the weak Congress, people, the ones that aren't any good, the Liz Cheneys of the world. We got to get rid of them. We got to get rid.

You know, she never wants a soldier brought home — I brought a lot of our soldiers home. I don't know, somewhat like it. They're in countries that nobody even knows the name, nobody knows where they are. They're dying. They're great, but they're dying. They're losing their arms, their legs, their face. I brought them back home, largely back home. Afghanistan, Iraq.

Remember, I used to say in the old days: "Don't go in Iraq. But if you go in, keep the oil." We didn't keep the oil. So stupid. So stupid these people. And Iraq has billions and billions of dollars now in the bank. And what did we do? We got nothing. We never get. But we do actually, we kept the oil here or we get, we did good.

We got rid of the ISIS caliphate. We got rid of plenty of different things that everybody knows and the rebuilding of our military in three years. People said it couldn't be done. And it was all made in the USA, all made in the USA, best equipment in the world.

In Wisconsin, corrupt Democrat-run cities deployed more than 500 illegal-un-manned, un-secured ballot, unmanned, unsecured drop boxes, which collected a minimum of 91,000 unlawful votes. It was razor-thin, the loss. This one thing alone is much more than we would need. But there are many things.

They have these lockboxes. And, you know, they'd pick them up and they disappear for two days. People would say where's that box? They disappeared. Nobody even knew where the hell it was.

In addition, over 170,000 absentee votes were counted in Wisconsin without a valid absentee ballot application, ~~meaning~~. So they had a vote, but they had no application, and that's illegal in Wisconsin. Meaning those votes were blatantly illegal ~~underdone in opposition to~~ state law — and they came 100-percent% from Democrat areas such as Milwaukee and Madison, 100%.

In Madison, 17,000 votes were deposited in so-called "human drop boxes," ~~where~~. You know what that is, right? Where operatives ~~stuffed~~ stuff thousands of un-secured unsecured ballots into duffle bags on park benches across the city, in complete defiance of a cease-and-desist ~~letter~~ letters from ~~the~~ state legislature.

Your state legislatures said don't do it. They're the only ones that can approve it. They gave ten of thousands of votes. They came in in duffle bags.

According to eyewitness testimony, Postal Service workers in Wisconsin were also instructed to illegally backdate approximately 100,000 ballots. The margin of difference in Wisconsin was less than 20,000 votes. Each one of these things alone wins us the state. Great state. We love the state. We won the state. ~~The margin of difference in Wisconsin is only 20,000 votes—any one of these issues is more than enough to show that we WON the state.~~

~~In Georgia, the Secretary of State~~

In Georgia, your secretary of state who, I can't believe this guy's a Republican. He loves recording telephone conversations. You know, that was? I thought it was a great conversation personally. So did a lot of other. People love that conversation because it says what's going on.

These people are crooked. They're 100%, in my opinion, one of the most corrupt, between your governor and your secretary of state. And now you have it again last night. Just take a look at what happened. What a mess.

And the Democrat party Party operatives entered into an illegal and unconstitution — unconstitutional settlement agreement that drastically weakened signature verification and other election security procedures. ~~As a result, Georgia's absentee ballot rejection rate of more than ten times previous levels. 48 counties in Georgia rejected ZERO ballots.~~

Stacey Abrams. She took them to lunch. And I beat her two years ago with a bad candidate, Brian Kemp. But they took, the Democrats took the Republicans to lunch because the secretary of state had no clue what the hell was happening. Unless he did have a clue. That's interesting. Maybe he was with the other side.

But we've been trying to get verifications of signatures in Fulton County, they won't let us do it. The only reason they won't is because we'll find things in the hundreds of thousands. Why wouldn't they let us verify signatures in Fulton County, which is known for being very corrupt. They won't do it. They go to some other county where you would live.

I said, "That's not the problem." The problem is Fulton County, home of Stacey Abrams. She did a good job, I congratulate her. But it was done in such a way that we can't let this stuff happen. We won't have a country if it happens.

As a result, Georgia's absentee ballot rejection rate was more than 10 times lower than previous levels because the criteria was so off.

Forty-eight counties in Georgia, with thousands and thousands of votes, rejected zero ballots. There wasn't one ballot. In other words, in a year in which more mail-in ballots were sent than ever before, and more people were voting by mail for the first time, the rejection rate was drastically LOWER lower than it had ever been before.

The only way this can be explained is if tens of thousands of illegitimate

By the way, you're talking about tens of thousands. If Georgia had merely rejected the same number of unlawful ballots as in other years, ~~there they~~ should have been approximately 45,000 ballots rejected—~~far~~. Far more than what we needed to win, just over 11,000. They should find those votes. ~~There is~~ They should absolutely find that. Just over 11,000 votes, that's all we need. They defrauded us out of a win in Georgia, and we're not going to forget it.

There's only one reason ~~that the~~ Democrats could possibly want to eliminate signature matching, ~~oppose Voter~~ opposed voter ID, and stop citizenship confirmation: “Are you a citizenship?” You're not allowed to ask that question, because they want to ~~STEAL elections.~~ steal the election.

The ~~Radical Left~~ radical left knows ~~EXACTLY~~ exactly what ~~they are~~ they're doing—~~they are.~~ They're ruthless, and ~~it's it's~~ it's time that somebody did something about it. And Mike Pence, I hope you're going to stand up for the good of our Constitution and for the good of our country. And if you're not, I'm going to be very disappointed in you. I will tell you right now. I'm not hearing good stories.

In Fulton County, Republican poll watchers were ejected, in some cases, physically from the room under the false pretense of a pipe burst pipe— ~~which.~~ Water main burst, everybody leave. Which we now know ~~to be~~ was a total lie.

Then, election officials ~~pulled~~ pull boxes, Democrats, and suitcases of ballots out from under ~~the tables and a table.~~ You all saw it on television, totally fraudulent. And illegally scanned them for nearly ~~2~~ two hours, totally unsupervised. Tens of thousands of votes. This act coincided with a mysterious vote dump of up to 100,000 votes for Joe Biden, almost none for Trump. Oh, that sounds fair. That was at 1:34AM ~~in Georgia~~ 34 a.m.

~~The Georgia Secretary of State and the pathetic Governor has rejected 5~~

The Georgia secretary of state and pathetic governor of Georgia, have reached, although he says I'm a great president. You know, I sort of maybe have to change. He said the other day, “Yes, I do. I disagree with president, but he's been a great president.” Good, thanks. Thank you very much.

Because of him and others, you have Brian Kemp. Vote him the hell out of office, please. Well, his rates are so low. You know, his approval rating now, I think it just reached a record low.

They've rejected five separate appeals for an independent and comprehensive audit of signatures in Fulton County. Even without an audit, the ~~numbers~~ number of fraudulent ballots ~~we have~~ that we've identified across the state is staggering.

Over 10,300 ballots in Georgia were cast by individuals whose names and dates of birth match Georgia residents who died in 2020 and prior to the election.

More than 2,500 ballots were cast by individuals whose names and

dates of birth match incarcerated felons in Georgia prison people.
Exhibit 59 - Page 17
People who are not allowed to vote.

More than 4,500 illegal ballots were cast by individuals who do not appear on the ~~state's~~state's own voter rolls.

Over 18,000 illegal ballots were cast by individuals who registered to vote using an address listed as "vacant," according to the ~~postal service~~Postal Service.

At least ~~8688~~8688,000 ballots in Georgia were cast by people whose registrations were illegally backdated.~~66,000~~

Sixty-six thousand votes, each one of these is far more than we need. Sixty-six thousand votes in Georgia were cast by individuals under the legal voting age.

~~At~~ And at least 15,000 ballots were cast by individuals who moved out of the state prior to ~~the~~ November ~~3rd~~3 election. They say they moved right back. They moved right back. Oh, they moved out, they moved right back. OK. They missed Georgia that much. I do. I love Georgia, but it's a corrupt system.

Despite all of this, the margin in Georgia is only 11,779 votes ~~each~~.

• Each and every one of these issues is enough to give us ~~the margin of a~~ victory ~~in Georgia, a big beautiful~~victory. Make no mistake

~~—~~ this election was stolen, from you, from me and from the country.

And not a single swing state has conducted a comprehensive audit to remove the illegal ballots. This should absolutely occur in every single contested state ~~BEFORE~~before the election is certified.

In the state of Arizona, over 36,000 ballots were illegally cast by non-citizens. ~~2,000~~Two thousand ballots were returned with no address, ~~more~~. More than 22,000 ballots were returned before they were ever supposedly mailed out. They returned, but we haven't mailed them yet.

Eleven thousand six hundred more ballots and ~~there were 11,600 more~~ votes were counted, more than there were actual voters. You see that? So you have more votes again than you have voters.

150,000

One hundred and fifty thousand people registered in Maricopa County ~~AFTER~~after the registration deadline. ~~103,000~~One hundred and three thousand ballots in the county were sent for electronic adjudication with no Republican observers.

In Clark County, Nevada, the accuracy settings on ~~the~~ signature verification machines were ~~purposefully~~purposely lowered before they were used to count over 130,000 ballots.

There were also more than 42,000 double votes in Nevada. Over 150,000 people were hurt so badly by what took place. And 1,500 ballots were cast by individuals whose names and dates of birth match Nevada residents who died in 2020 prior to ~~the~~ November ~~3rd~~ election, ~~and more~~. More than 8,000 votes were cast by individuals with who had no address and probably didn't live there.

The margin in Nevada is ~~only 33,000 votes--without~~ down at a very low number, any of these things would have taken care of the cheating situation. We would have won Nevada, also. Every one of these we're going over, we easily won win.

In Michigan, quickly, the ~~Secretary~~ secretary of state, a real great one, flooded the state with ~~un-solicited~~ unsolicited mail-in ballot applications, sent to every person on the rolls in direct violation of state law.

More than 17,000 Michigan ballots were cast by individuals whose names and dates of birth match people who were deceased.

In Wayne County ~~alone,~~ 174,000, that's a great one. That's Detroit. One hundred and seventy-four thousand ballots were counted without being tied to an actual registered voter. Nobody knows where they came from.

Also, in Wayne County, poll watchers observed canvassers ~~re-scanning~~ rescanning batches of ballots ~~through vote tabulation machines over and over again,~~ up to ~~3 to 4~~ three or four or five times.

In Detroit, turnout was ~~139 percent~~ % of registered voters. Think of that. So you had 139% of the people in Detroit voting. This is in Michigan. Detroit, Michigan.

A career employee of the ~~city~~ Detroit, City of Detroit, testified under penalty of perjury that she witnessed city workers coaching voters to vote straight Democrat, while accompanying them to watch who they ~~were voting~~ voted for ~~--all of which is against the law. The same worker was instructed not. When a Republican came in, they wouldn't talk to ask for any voter ID, and not to attempt to validate any signatures. She was also told to illegally backdate ballots received after the deadline, and reports that thousands of ballots were improperly backdated him.~~

The same worker was instructed not to ask for any voter ID and not to attempt to validate any signatures if they were Democrats. She also told to illegally, and was told, backdate ballots received after the deadline and reports that thousands and thousands of ballots were improperly backdated. That's Michigan.

Four witnesses have testified under penalty of perjury that after officials in Detroit announced the last votes had been counted, tens of thousands of additional ballots arrived without ~~the~~ required envelopes, ~~all voting.~~ Every single one was for Democrats a Democrat. I got no votes.

At 6:31 AM a.m. in the early morning hours after the voting had ended, Michigan suddenly reported 147,000 votes ~~an~~. An astounding 94 percent ~~for~~ % went to Joe Biden, ~~6~~ percent for Trump. who campaigned brilliantly from his basement. Only a couple of percentage points went to Trump.

Such gigantic and one-sided vote dumps were only observed in a few swing states ~~—~~and they were observed in the states where it was necessary.

You know what's interesting? President Obama beat Biden in every state other than the swing states where Biden killed them, but the swing states were the ones that mattered.

They're always just enough to push Joe Biden barely into the lead. We were ahead by a lot and within a number of hours we were losing by a little.

In addition, there is the highly troubling matter of Dominion ~~voting systems.~~ Voting Systems. In one Michigan county alone, 6,000 votes were switched from Trump to Biden ~~—~~and the same systems are used in the majority of states in our country.

~~Georgia State~~ Senator William Ligon (~~Lig in~~), ~~Chairman of the Georgia Senate Judiciary Subcommittee, a great gentleman, chairman of Georgia's senate judiciary subcommittee.~~ Senator Ligon, highly respected, on Elections, elections has written a letter describing his concerns with Dominion in Georgia.

He wrote ~~QUOTE: "the~~, and I quote, The Dominion voting machines Voting Machines employed in Fulton County had an astronomical and astounding 93.67 ~~percent~~ % error rate. It's only wrong 93% of the time in the scanning of ballots requiring a review panel to "adjudicate" or "determine" the ~~voter's intent~~ voter's interest in over 106,000 ballots out of a total of 113,130 ballots. 000.

Think of it. You go in and you vote and then they tell people who you supposed to be voting for. They make up whatever they want. Nobody's ever even heard.

They adjudicate your vote. They say, Well, we don't think Trump wants to vote for Trump. We think he wants to vote for Biden. Put it down for Biden.

The national average for such an error rate is far less at than 1.2 percent. % and yet you're at 93%. The source of this astronomical error rate must be identified to determine if these machines were set up or ~~designed~~ destroyed to allow for a third party to disregard the actual ballot cast by the registered voter."

The letter continues: "There is clear evidence that tens of thousands of votes were switched from President Trump to former Vice President Biden in several counties in Georgia. For example, in Bibb County, President Trump was reported to have 29,391 votes at 9:11pm Eastern while simultaneously former Vice President Joe Biden was reported to have 17,218 votes. Minutes later at the next update, these vote numbers

switched with President Trump now having 17,318 votes and Mr. Biden having 29,391 votes, a 12,173 vote switch to Mr. Biden's favor. No rational explanation has been put forth demonstrating a legitimate reason for this switch in the vote tally."

In addition, Senator Ligon [Lig in] provided an expert demonstration proving that the Dominion Systems can indeed be hacked and the votes manipulated in real time because the devices are connected to the Internet.

Another letter from Representative Mark Finchem, Chairman of the Arizona House Federal Relations Committee, attests that expert and eyewitness testimony in Arizona indicates that "143,000 votes were artificially injected into the ballot total."¹¹

It is no coincidence that in every one of these cases, all of this cheating and rule-breaking worked to the benefit of Joe Biden. There was an organized, coordinated, and systematic effort to steal this election across all the critical states.

Every fact demonstrates a clear, definitive, and overwhelming Trump victory:

- There are 19 counties that have correctly predicted the results of every single presidential election in the modern era. Winning any one of these counties is a powerful statistical indicator of having won the election—but we didn't just win a few, we won 18 out of 19.
- Democrats were projected to GAIN 15 House seats—instead, with my coattails, Republicans won 25 out of 26 tossup House races, and Democrats LOST 14 seats.
- We won the great states of Texas and Florida in record numbers despite the media saying it will be close, and easily won Iowa. No candidate in history who has won all three has ever lost the election. The only reason we lost is fraud.
- We made historic gains among African Americans, Hispanic Americans, and Asian Americans.
- In fact, we did better with African American voters everywhere in the country EXCEPT for a small handful of corrupt Democrat-run cities in key swing states—such as Milwaukee, Detroit, Atlanta, and Philadelphia, where Joe Biden supposedly outperformed Barack Obama.

There is virtually no one who believes that BIDEN, who barely even left his basement to campaign, somehow got 12 million more votes than Obama.

In addition to all of the brazen cheating and theft I have described, we cannot ignore that the election hoax was the culmination of four years of unceasing propaganda, disinformation, and lies perpetrated by the Democrat Party and the media.

First there was the Russia Hoax—an attempted takedown of a sitting president of the United States. Then there was the impeachment witch hunt. Then there was the effort to incite rioting, looting, arson, and violence in the street unless the Radical Left Democrats were given their way, which was an open attack on Democracy. And finally, there was the shameless effort

The media and Big Tech's censorship of the truth about Joe Biden's corruption is, by itself, one of the greatest scandals in American history. The overwhelming majority of Americans were prevented from learning that the Biden family took millions of dollars from the Chinese Communist Party in a flagrant payoff. The American People deserved to know BEFORE the election that Joe Biden is owned by China. The unprecedented censorship of this information constituted a rigging of the election on a grand scale. Yet the same media that falsely told you there was no evidence of Biden corruption is now telling you there is no evidence of election fraud. Congress and the Justice Department have an absolute obligation to investigate the Biden payoffs as well as the corporations that engaged in censorship. The American People deserve the truth and the American People deserve ACCOUNTABILITY.

It is

For example, in Bibb County, President Trump was reported to have 29,391 votes at 9:11 p.m. Eastern time, while simultaneously Vice President Joe Biden was reported to have 17,213. Minutes later, just minutes, at the next update, these vote numbers switched with President Trump going way down to 17,000 and Biden going way up to 29,391. And that was very quick, a 12,000 vote switch all in Mr. Biden's favor.

So, I mean, I could go on and on about this fraud that took place in every state, and all of these legislatures want this back. I don't want to do it to you because I love you and it's freezing out here. But I could just go on forever. I can tell you this.

So when you hear, when you hear, while there is no evidence to prove any wrongdoing, this is the most fraudulent thing anybody has, this is a criminal enterprise. This is a criminal enterprise. And the press will say, and I'm sure they won't put any of that on there, because that's no good. And you ever see, while there is no evidence to back President Trump's assertion.

I could go on for another hour reading this stuff to you and telling you about it. There's never been anything like it.

Think about it. Detroit had more votes than it had voters. Pennsylvania had 205,000 more votes than it had more. But you don't have to go any. Between that, I think that's almost better than dead people if you think, right? More votes than they had voters. And many other states also.

It's a disgrace that in the United States of America, tens of millions of people, are allowed to go vote without so much as even showing an ID-identification.

In no state is there any genuine question or effort made to verify the identity, citizenship, residency, or eligibility of those who the votes cast ballots.

The Republicans have to get tougher. You're not going to have a Republican Party if you don't get tougher. They want to play so straight. They want to play so, sir, yes, the United States. The Constitution doesn't allow me to send them back to the States. Well, I say, yes it does, because the Constitution says you have to protect our country and you have to protect our Constitution, and you can't vote on fraud. And fraud breaks up everything, doesn't it? When you catch somebody in a fraud, you're allowed to go by very different rules.

So I hope Mike has the courage to do what he has to do. And I hope he doesn't listen to the RINOs and the stupid people that he's listening to.

It is also widely understood that the voter rolls are crammed full of non—citizens, felons, and people who have moved out of state, and individuals who are otherwise ineligible to vote—yet. Yet Democrats oppose every effort to clean up the their voter rolls. They don't want to clean them up. They're loaded.

And how many people here know other people, that when there are hundreds of thousands and then millions of ballots got sent out, got three, four, five, six, and I heard one, who got seven ballots. And then they say you didn't quite make it, sir.

We won in a landslide. This was a landslide. They said it's not American to challenge the election. This the most corrupt election in the history, maybe of the world.

You know, you could go third-world countries, but I don't think they had hundreds of thousands of votes and they don't have voters for them. I mean no matter where you go, nobody would think this.

In fact, it's so egregious, it's so bad that a lot of people don't even believe it. It's so crazy that people don't even believe it. It can't be true. So they don't believe it.

This is not just a matter of domestic politics, — this is a matter of national security.

So today, in addition to challenging the certification of the election, I am I'm calling on Congress and the state legislatures to quickly pass sweeping election reforms, and you better do it before we have no country left.

Today is not the end, it is it's just the beginning.

With your help, over the last four years, we built the greatest political movement in the history of our country. — and nobody even challenges that.

I say that over and over, and I never get challenged by the fakeness, and they challenge almost everything we say.

But our fight against the Big Donors, Big Media big donors, big media, big tech, and Big Tech others is just getting started. This is the greatest in history. There's never been a movement like that.

You look back there all the way to the Washington Monument. It's hard to believe.

We must stop the steal, and then we must ensure that such outrageous election fraud never happens again, can never be allowed to happen again.

But we're going forward. We'll take care of going forward. We've got to take care of going back. Don't let them talk. OK, well, we promised. I've had a lot of people. Sir, you're at 96% for four years. I said I'm not interested right now. I'm interested in right there.

With your help, we will finally pass powerful ~~re-requirements~~ requirements for ~~Voter~~ voter ID. You need an ID to cash a check, ~~-. You need an ID to go to the~~ bank, to buy alcohol, ~~and to~~ drive a car ~~every~~. Every person should need to show an ID in order to cast your most important thing, a vote.

We will also require proof of American ~~CITIZENSHIP~~ citizenship in order to vote in American ~~Elections~~ elections. We just had a good victory in court on that one, actually.

We will ban ballot harvesting, and prohibit the use of ~~un-secured~~ unsecured drop boxes to commit rampant fraud. These drop boxes are fraudulent. Therefore, they get disapp — they disappear, and then all of a sudden they show up. It's fraudulent.

We will stop the practice of universal unsolicited mail-in balloting.

We will clean up the voter rolls ~~and that~~ ensure that every single person who casts a vote is a citizen of our country, a resident of the state in which they vote, and ~~that~~ their vote is cast in a lawful and honest manner. ~~—~~

We will restore the vital civic tradition of in-person voting ~~ON ELECTION DAY~~ on Election Day so that voters can be fully informed when they make their choice.

We will finally hold ~~Big Tech ACCOUNTABLE. Congress should immediately repeal~~ big tech accountable. And if these people had courage and guts, they would get rid of Section 230 — and if the, something that no other company, no other person in America, in the world has.

All of these tech monopolies are going to abuse their power and interfere in our elections, ~~they and it~~ has to be stopped. And the Republicans have to get a lot tougher, and so should the Democrats. They should be regulated, investigated, and brought to justice under the fullest extent of the law. They're totally breaking the law.

Together, we will ~~Drain~~ drain the Washington ~~Swamp~~ swamp and we will clean up the corruption in our ~~nation's~~ nation's capital ~~once and for all. We have done a big job on it, but you think it's easy. It's a dirty business. It's a dirty business. You have a lot of bad people out there.~~

Despite everything ~~we have~~ we've been through, looking out all over this

country and seeing fantastic crowds. Although this, I think, is our all-time record. I think you have 250,000 people. 250,000.

Looking out at all the amazing patriots here today, I have never been more confident in our nation's future. Well, I have to say, we have to be a little bit careful. That's a nice statement, but we have to be a little careful with that statement.

If we allow this group of people to illegally take over our country because it's illegal when the votes are illegal when the way they got there is illegal when the states that vote are given false and fraudulent information.

We are the greatest country on ~~earth~~ ~~with the greatest PEOPLE on earth~~ Earth and we are headed and were headed in the right direction.

You know, the wall is built. We're doing record numbers at the wall. Now, they want to take down the wall. Let's let everyone flow in. Let's let everybody flow in. We did a great job in the wall. Remember, the wall, they said it could never be done. One of the largest infrastructure projects we've ever had in this country, and it's had a tremendous impact, that we got rid of catch and release. We got rid of all of this stuff that we had to live with.

But now, the caravans, I think Biden's getting in, the caravans are forming again. They want to come in again and rip off our country. Can't let it happen.

As this enormous crowd shows, we have truth and justice on our side. We have a deep and enduring love for America in our hearts. ~~We have overwhelming pride in this great country in our souls. And together, we are determined to defend and preserve government OF the people, BY the people, and FOR the people!~~ We love our country.

We ~~will defeat the corrupt political class~~ ~~have~~ overwhelming pride in this great country and we ~~will lead~~ have it deep in our nation's souls. Together, we are determined to new heights. defend and preserve government of the people, by the people and for the people.

Our brightest days are ~~still ahead~~ before us. Our greatest achievements, still ~~await~~ away.

I think one of our great achievements will be election security. Because nobody until I came along had any idea how corrupt our elections were.

And again, most people would stand there at 9 o'clock in the evening and say I want to thank you very much, and they go off to some other life. But I said something's wrong here, something is really wrong, can have happened.

And we fight. We fight like hell. And if you don't fight like hell, you're not going to have a country anymore.

Our exciting adventures and boldest endeavors have not yet begun!

My fellow Americans, for our movement, for our children, and for our beloved country, ~~the BEST IS YET TO COME!~~

~~Thank you again to every citizen here today and all across the country for standing strong. Now it is up to the men and women of Congress to do the right thing by their conscience, by their country, and by our Constitution.~~

Thank you,

And I say this despite all that's happened. The best is yet to come.

So we're going to, we're going to walk down Pennsylvania Avenue. I love Pennsylvania Avenue. And we're going to the Capitol, and we're going to try and give.

The Democrats are hopeless — they never vote for anything. Not even one vote. But we're going to try and give our Republicans, the weak ones because the strong ones don't need any of our help. We're going to try and give them the kind of pride and boldness that they need to take back our country.

So let's walk down Pennsylvania Avenue.

I want to thank you all. God Bless You, bless you and God Bless America.

Thank you all for being here. This is incredible. Thank you very much. Thank you.
