Dr Cordi - Jan 12, 2021 at 7:13 PM - iMessage

DC Chris do you have any pockets of time to reschedule the call with Kristin? Karyn was cancelling for herself and not Kristin.

Dr Cordi - Jan 2, 2021 at 4:52 PM - iMessage

DC

Kremers haha

Dr Cordi - Jan 2, 2021 at 4:52 PM - iMessage

DC

Awesome. So we have passes? Are the passes approved through the White House or the creamers?

You - Jan 2, 2021 at 4:50 PM - iMessage

I have no idea. I believe Pastor Mark Burns goes on at 9:30. That's what time I'm getting there

Dr Cordi - Jan 2, 2021 at 4:45 PM - iMessage

DC

Does it really start at 7 AM?

You - Jan 2, 2021 at 4:41 PM - iMessage

Yes. This is the White House event- or so I'm told. This is where our passes are for.

Dr Cordi - Jan 2, 2021 at 4:35 PM - iMessage

Sounds great. Thanks Kristin. Who's event is that? Just curious for Chris's sake haha

You - Jan 1, 2021 at 11:10 AM - iMessage

Probably sometime between 230 and 4:30 PM. Can you please let me know if this works for you.

You - Jan 1, 2021 at 11:09 AM - iMessage

The Rally is in area 7 of freedom Plaza I believe. I think this will be the only stage and speaking opportunity on that day

You - Jan 1, 2021 at 11:08 AM - iMessage

I'll confirm a time later. But will make it late enough for you to attend the White House event and then speak

You - Jan 1, 2021 at 11:08 AM - iMessage

I have networked and traded favors to get Dr Cordi a speaking spot on the health freedom stage on Jan six in the afternoon

You - Jan 1, 2021 at 11:07 AM - iMessage

Happy new year my friends!

You - Dec 31, 2020 at 7:37 PM - iMessage

Thinking positively!

You - Dec 31, 2020 at 7:37 PM - iMessage

I am fairly certain I can accommodate everyone! As long as no one stabs me in the back before then. At this rate you never know lol!! Happy new year guys

Chris Lippe - Dec 31, 2020 at 7:36 PM - iMessage

CL

Have a Happy New Year!!

Chris Lippe - Dec 31, 2020 at 7:35 PM - iMessage

CL

Thank you Kristin- if the VIP list is fairly open, I will have my son, Jake Lippe, and my fiancé w me. Jen Franco. If that's not possible then just Cordie and I. We'll see you next week

You - Dec 31, 2020 at 7:17 PM - iMessage

Caroline is mostly who she says she is

You - Dec 31, 2020 at 7:17 PM - iMessage

I confirmed today that the event is officially taken over from the White House. One of my good friends is a DC lobbyist who had dinner with a senior White House staffer. There will probably not be anyone else on the stage other than POTUS on the sixth. This has not been announced but this is what was told to my friend

You - Dec 31, 2020 at 7:16 PM - iMessage

OK. I'm going to put you guys on the VIP list for the event on the six

Chris Lippe - Dec 31, 2020 at 7:13 PM - iMessage

CL

On Tuesday? No. We arrive that night. We notified Pastor Gibson

You - Dec 31, 2020 at 7:10 PM - iMessage

Happy New Year's guys. I'm just confirming you are in Pastor Gibson's group to speak??

You - Dec 31, 2020 at 10:36 AM - iMessage

I think the bottom line is the Kramer's are telling people things to get money out of them and their intent is not to do the right thing

Chris Lippe - Dec 31, 2020 at 10:32 AM - iMessage

CL

Smart move Kristin to stay away. The game of Rallyers— ugh

You - Dec 31, 2020 at 10:19 AM - iMessage

I'm aware of the pastors think that they're putting a permit in their name. I'm also not sure this is not a scam. I declined to put it in my name

You - Dec 31, 2020 at 9:34 AM - iMessage

This is what I have to report at this time. I am going to distance myself because this has been all consuming and taking away from everything else. At this point there is no event on the fifth and the sixth I am unable to confirm any speakers including Roger

You - Dec 31, 2020 at 9:33 AM - iMessage

She has done this to Alex Jones for the Jan 6 event. He thinks the event is his because he has spent 300 K. But the permits are in the Kremer's name. From Kylie Kramer's mouth he is not setting foot on that stage. The whole thing is a duplicitous scheme

You - Dec 31, 2020 at 9:32 AM - iMessage

The whole thing is a scam in my opinion. Kylie is only trying to add us as names on the permit. Which still means she controls it. That way we find the funding for the event but it would still be her event.

You - Dec 31, 2020 at 9:31 AM - iMessage

Kylie tried to then deceive Pastor Gibson and Pastor Locke offering all three of us the permit telling them she had the funding. She doesn't.

You - Dec 31, 2020 at 9:31 AM - iMessage

Yesterday went from bad to worse. Kylie Kramer called me and offered me the permit for the event. There were a number of misrepresentations given to me including that she had the funding which she does not. Alex Jones funded it but that money went to Cindy. I tried to bridge the peace but neither side will work together. Cindy will not give up the money unless it's her event and Kylie won't give up the permit

Chris Lippe - Dec 30, 2020 at 7:17 PM - iMessage

I am sending a contact- you did not get it from me or anyone at the White House. Find a way to explain why your asking- Maybe say you've been planning an event on the 6th but have heard there may be one large event- is that true....

CL

You - Dec 30, 2020 at 6:09 PM - iMessage

Alex is paying for the stage and given Cindy money for the groundwork. This came from the owner of Publix supermarket

You - Dec 30, 2020 at 6:09 PM - iMessage

Yes. It's just hard to discern who's telling the truth. I think Ali has blocked all of the other speakers to make this about him.

Chris Lippe - Dec 30, 2020 at 6:09 PM - iMessage

CL Smart move Roger

You - Dec 30, 2020 at 6:08 PM - iMessage

Ali is under the delusion that Alex Jones him and Roger are the main speakers for Saturday and the only other person that speaking is the president. Roger question that but that's the story he's sticking to

You - Dec 30, 2020 at 6:07 PM - iMessage

Trick lol

You - Dec 30, 2020 at 6:07 PM - iMessage

Roger asked Ali to Have Caroline tell Kimberly Guilfoyle to text him to vouch for her

Chris Lippe - Dec 30, 2020 at 6:07 PM - iMessage

CL Trick

Dr Cordi - Dec 30, 2020 at 6:07 PM - iMessage

DC Dirty truck?

You - Dec 30, 2020 at 6:06 PM - iMessage

I honestly think The creamers and Ali have pulled some ginormous dirty truck right now. To keep people out. I just had a conference call with Roger I and Ali were Roger tried to force the truth out of him and I still don't think I have a grasp on the situation

Chris Lippe - Dec 30, 2020 at 6:06 PM - iMessage

CL Hopefully Maggie will reply

You - Dec 30, 2020 at 6:05 PM - iMessage

The rest of the time when they speak it's about what's going on. Not some thing like a rally. Roger doesn't want to use his limited time on petty nonsense. He is advocating for a pardon for our friend who's in prison and for him that's more important

You - Dec 30, 2020 at 6:05 PM - iMessage

I wish it was that easy. They talked about the rally In passing once and the president mentioned he was thinking of speaking

Chris Lippe - Dec 30, 2020 at 6:02 PM - iMessage

CL Rogers access to the President is best resource to sort the bullshit

You - Dec 30, 2020 at 6:01 PM - iMessage

I have been told that permits for all events are in the Kremer's name. Kylie Kremer went around and called Julio and Karyn. They did not pick up but they gave me her phone number. I'm still trying to figure out what is going on

You - Dec 30, 2020 at 6:00 PM - iMessage

I'm still trying to get to the bottom of things. I think Ali has tried to manipulate this entire event. I don't even believe this woman is from the White House.

Chris Lippe - Dec 30, 2020 at 5:38 PM - iMessage

CL

All texts are out. Tony from the CA GOP replied we have no interaction w Trump at this point, so no help here.

There's one other person involved Felisa. I don't know her. But she reached out to me so she's going to arrange a conference call between me her and Cindy

You - Dec 23, 2020 at 6:22 PM - iMessage

Well I'm on your coast. So anytime after 8 AM Pacific works for me

Dr Cordi - Dec 23, 2020 at 6:19 PM - iMessage

DC Yeah for sure. In between patients now. Let's u, Chris and I jump on a call and hash it out since he may know some details we don't. Tomorrow or Saturday works for me.

You - Dec 23, 2020 at 6:17 PM - iMessage

But I would like to talk merchandising with you. I'd like to put some of Roger's shirts on your table.

You - Dec 23, 2020 at 6:17 PM - iMessage

OK. Well I'm going to have a conference call with her myself. I don't put people meaning Roger places without making sure he's protected
