Andrew,

Happy New Year.

I'm on a plane today at 2 pm Mountain time, but could do a call before that (and will try you just as soon as I'm packed and in the car driving to the airport). Or on my layover (4-5:30 MST). Or after I land (8:30 MST or later).

John

Good morning Mr. Eastman. I have asked our House Counsel, Andrew Pappas, to take a call with you to discuss constitutional supremacy and the interaction of state and federal constitutions.

To help speed the conversation along since time is of the essence, Mr. Pappas can be reached at 520-404-2393. I am sure that Mr. Eastman would be delighted to have the Speaker and Mr. Toma join the call. I am simply making the ask and introduction.

Dear Rep. Finchem:

First, Happy New Years.

Second, allow me to introduce myself. I'm counsel of record for President Trump in two matters that have been filed in the Supreme Court – motion to intervene in the Texas original action that was unfortunately dismissed, and a cert petition challenging three decisions of the Pennsylvania Supreme Court.

Bill Olson gave me your contact info. Sorry to trouble you on the holiday, but I'm trying to ascertain the status of the legislative subpoenas that were issued to Maricopa County.

Best regards,

John Eastman
