Michael Brown

Good morning. We are going to call state leadership across the country later today. We may set up in the Union league or in my room, but we are going to win this thing. We are going to explain the process for legislative redress and tell them how to send representative to th electoral college. They've heard from lawyers who failed to explain it. So we will. And we will convince them. There's no team I'd trust more to do this. Touch base at 10 am. Be ready to deliver.
